Indonesia Curtin Alumni Batik

Curtin University Alumni Chapter Indonesia proudly presents **Indonesia Curtin Alumni Batik**.

- The black and yellow colours are inspired by the colour of the Curtin University logo.
- **Black swan** is one of Australia's best-loved birds. It is featured on the flag, and is both the state bird and state emblem of Western Australia. The Golden Swan featured in our batik represents our ties as Curtin University alumni and our willingness to move forward together.
- The beauty of Australia's unique wildflower, **Kangaroo Paw**, is also featured in our batik as a symbol that at the right moment all the struggles in life will reveal their beauty. Our journey at Curtin University was colorful and at the right moment we were all able to pass through and become alumni from our beloved alma mater, Curtin University.
- The grey spots on the background, inspired by Aboriginal motives, represents a symbol of our presence amid a diverse community.

Price: IDR 250,000* (2.5 meter)

- For each purchase, IDR 50,000 will be allocated to CUACI's Social Welfare Division.
- It is expected that batik can be distributed on February 13, 2018 at AGM event in Surabaya.
